

St. Patrick's Day Bingo

Bingo is a fun activity for many, but it can become overwhelming for some people.

This simplified bingo game using 3 x 3 cards and St. Patrick's Day themed words can help those people enjoy the game once again and have some St. Paddy's Day fun!

Benefits

- Great cognitive exercise
- Triggers pleasant memories
- Can be played by almost anyone

Prepare the Activity

Print out the seven pages of the activity. If you have card stock, use that, or if you have a laminator, you can laminate the sheets. Cut the "calling" sheet (the first sheet) along the marked lines. You'll also need a marker for each player.

Basic Preparation

It's easy to overlook, but the success of any activity can depend on some basic preparation.

Preparation

- Is the person comfortable?
- Is the area free from distractions?
- Is the lighting in the room appropriate for this activity?
- If the person requires glasses, are they wearing them?
Are they clean?

Refer to the "[Presenting an Activity, Start to Finish](#)" article on our website for more details.

When possible, you should demonstrate the activity first, showing what is expected while using as few words as possible to describe it. When you are finished the activity, thank the person for participating and ask if they would like to do it again sometime.

Presenting the Activity

1. Give each person a “bingo” card (or let them choose their own) and a marker to cross out matching words (or chips to place on each matching word).
2. Put the “calling cards” in a bowl or box, or just shuffle them up on the table.
3. Pick a calling card and read the word out loud. Each player marks the matching word on their card just as in regular bingo.

Presenting

- Give each person a bingo card and a marker
- Pick a card and read it out loud
- Each player marks the word on their card just like in regular bingo
