Drinks Packages

At Boho Farm, we pride ourselves on bringing you the highest quality products. We believe in doing things by hand to connect with our wines; from choosing the best vine cordons to prune, to hand picking the best grapes, tasting throughout the winemaking and distilling process, and a hands on approach to our branding.

We are touched to be a part of your special occasion, and hope you enjoy handpicking the right drinks package for your event. Both packages include service, water and lo-cal sodas.
