# General FAQ's

## Do you have a Showroom & do I need an appointment?

We have Showrooms in Melbourne and Sydney, you can book via our website or call us on 1300 973 077. We are open by appointment only, 9:00am-3:00pm Monday - Friday.

---

## Are your cabinets made in Australia?

Yes they are, bringing the best of local makers and suppliers together.

---

## Apart from your standard units, can you do custom designs as well?

At Ensemble we offer a range of set modular sizes. These sizes have been designed to fit the majority of wall spaces. However, you can customise the finishes and the function of our unit.

---

## What sizes of units do you offer? Is it only what's on the website?

Each of our products come in a range of set modular widths, depths and heights. See product pages for details.

---

## Can you do any other colours that are not on your website?

We're always open to exploring finishes outside of our core range - but it'll add longer lead times, sourcing & design fees.

---

## Can I request a sample before my order?

You sure can. We'll mail them out, or give them to you in the Showroom.

---

## What type of materials do you use?

Melamine, timber veneers, 2pac paints, solid surface. We do it all, and there's a price point to suit everyone.

---

## Can you check my measurements? Can someone come out prior to install?

Absolutely! One of our friendly design consultants or qualified installers can come to you. We offer this service in Melbourne & Sydney only.

## How will I know whether my item has been dispatched? (Supply Only)

Once your order has been manufactured, our delivery team will be in touch to notify you that your order has been dispatched. Orders are dispatched and delivered within 2 - 10 business days depending on your location.

---

## What states do you install? How much is delivery?

We install in VIC (Metro Only). We also offer a "supply only" range with our sideboards and we can send these Australia wide. Delivery is charged based on location, ask our sales team for an approximate fee.

---

## Can you colour match?

Please note that we cannot guarantee exact colour matching on any painted or stained finish. Whilst we will endeavour to get your selected colour as close as we can to a sample or existing colour within your home, due to the painting and staining process with our suppliers, colours may slightly differ.

---

## Do you provide cable holes and what if I need extra cut-outs?

Yes, we can provide cut-outs to your unit. We supply the cut-outs to the benchtop and to the bottom of the cabinet. Any cut-outs involving PowerPoints or cables will have to be completed by a qualified electrician on the day of installation or after hand-over.

---

## How can I use my multi-media equipment like Foxtel etc in your cabinets?

No matter what your setup is, we've got a solution for your TV & Hi-Fi equipment.

---

## I have purchased a "Supply Only" unit, how do I install this?

Our sales team will be in touch upon order confirmation to supply you with easy step-by-step instructions and the tools required to install your own unit. Please reach out to us at [sales@ensemble.store](mailto:sales@ensemble.store) if you have any questions

# General FAQ's

## Does my unit come fully assembled?

Your unit will come in individual assembled components to make it easier for transport and delivery. Rest assured, our step-by-step instructions and guides make installation easy and simple

---

## What are your lead times?

Our manufacturing lead times are 6 - 8 weeks. Please note that due to supply and manufacturing delays, lead times are approximate. We will always endeavour to keep you updated with any changes if a delay occurs.

---

## What states do you install? How much is delivery?

We install in VIC (Metro Only). We also offer a "supply only" range with our sideboards and we can send these Australia wide. Delivery is charged based on location, ask our sales team for an approximate fee.

---

## What are your payment methods?

You can pay directly with Credit Card via SquarePay, Bank Transfer, PayPal or ZIP (online purchases only).

---

## Do you supply all hardware for the unit?

We will supply all necessary hardware however, wall mounting screws are not included. Different wall materials require different types of fixing devices. Use fixing devices suitable for the walls in your home. If you are uncertain about what type of fixing devices to use, please contact your local hardware store.

---

## How many pieces does my benchtop come in?

Laminex benchtops are supplied up to 1800mm in length. 2Pac and Timber Veneer benchtops are supplied up to 2400mm in length. For longer units, two benchtop pieces will be required.
