**HOW LONG DO THEY LAST?**

Tattoos will last for 2-4 days, depending on where they are placed. They are waterproof, don't forget to place them on a clean, oil-free skin surface!

**ARE THEY SAFE FOR THE SKIN?**

Absolutely! Our products are mindfully printed on paper from sustainably sourced forests (100% FSC-certified paper) with non-toxic soy-based inks. We are in compliance with safety standards for cosmetic products and meet all domestic and international regulatory requirements. Cosmetic product safety report can be provided upon request.

**HOW TO APPLY AND REMOVE?**

Remove clear top sheet & press tattoo firmly face down on skin. Wet tattoo thoroughly with wet cloth for 30 seconds, carefully peel off paper backing. Gently rinse with water for the best effect. Be sure not to stretch your skin until tattoo has set (5-10 minutes). To remove your tattoo, simply soak your skin in oil or rubbing alcohol and gently scrub off.

**CAN YOU GUARANTEE EXCLUSIVITY WITH OUR STORE?**

We do not offer exclusivity for specific regions or stores at this time.

**WHAT IS THE ORDER MINIMUM?**

Our order minimum is \$200 for new retailers. This helps to ensure that you have the best selection of our products.

**WHERE ARE THEY MADE IN?**

Tattoos are designed by artists in Los Angeles, CA, USA and printed at our factory in China. We're working hard to bring the production to the US.

**WHERE ARE THEY SHIPPED FROM?**

Orders are shipped from Los Angeles, CA, United States.

**DO YOU HAVE A DISPLAY OPTION?**

We suggest using a pegboard for display.

**DO YOU PROVIDE HIGH RES PHOTOS FOR ONLINE SHOPS?**

Absolutely! High Resolution photos are available upon request.

**WHAT IS ON THE BACK OF THE TATTOOS?**

Application Instructions are printed on the back of the tattoos. Since our in-stock tattoos are already made - we would not be able to customize the back, however, this option is available for custom orders!
