

MANUAL LEKKER BIKES

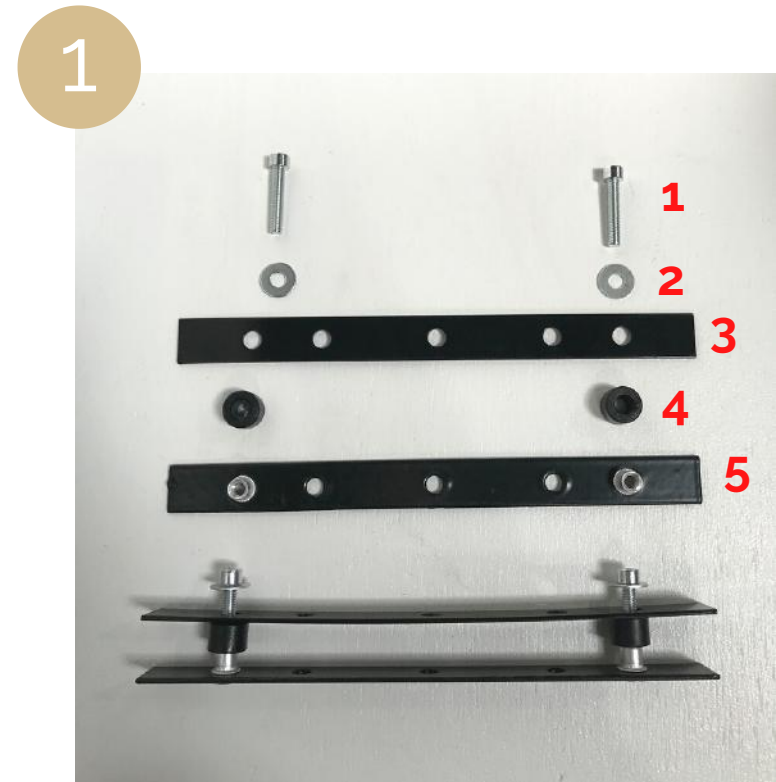

**DUTCH
BASKET**

INSTRUCTIONS

1. Attached to your Dutch basket, you will find a **package of fittings**. Please see **image 1** for reference of the parts you will be using. There will be excess parts provided which you will not need.
2. Place the **top brackets** (no.3) in the bottom of the basket.
3. Introduce the **longest bolts** with the **washers** (no.1 & 2) into the **furthest** holes of the top brackets. **Push** the bolts through the weaving of the basket.
4. Place the **bottom brackets** (no.5) underneath the rack so it **aligns** with the **top brackets** with the **largest spacers** (no.4) in between.
5. **Thread** the bolts (no.1) into the nuts which is **pre-fitted** to the **bottom bracket**. **Tighten** them until the basket is **secure** to the rack.
