Confirm the accuracy of your printout by making sure that the scale is 50mm

## RING SIZES

To have a lot of fun with your XENOX rings, finding the right size is crucial. This is the only way to guarantee pleasant wearing conform and you don't run the risk of losing your treasures. Therefore, you should determine the optimal size for you before buying.

The easiest method is to measure a ring that already fits you well. To do this you have to determine the inner diameter of your ring with a ruler or tape measure. Et voilà, you now know your ring size!

You can also use our ring templates above to determine your ring size. Print out our templates (A4 - 100%) and place a ring that fits you well on the circle that corresponds to the size of your ring.
