- Wet bag for soiled clothing

THINGS FOR MOM

- Wallet
- Keys
- Phone
- Small pouch with makeup and other essentials (stored alongside ToteSavvy)

PACKING TIPS

We love using products like the Innobaby Snack Stacker to help carry cut up food and dry formula. It's compact and fits inside the ToteSavvy insulated pocket. An extra change of clothing and wet bag (for soiled clothes) is key during this age. Even drool can soak an outfit!
