## CAPRICORN DEC. 22–JAN. 19

Love can be passionate, but friendship is the glue that keeps your relationship together. Communication is important; pay attention to your intuition. This is a powerful and positive time.

## AQUARIUS JAN. 20–FEB. 18

Mars in your work zone and the holidays will have you busy. Focus on priorities and reschedule everything else. Love can be intense, so enjoy the moment.

## PISCES FEB. 19–MARCH 20

You are a sensitive person, and multiple personalities can unsettle your energy. Right now you can be running from one event to the next. Aim to have quality time with those you care about.

## ARIES MARCH 21–APRIL 19

An abundance of planetary activity affects your work life. With the holidays, you can feel pushed and pulled in all directions. Run your own race. Don't be concerned with what others do.

## TAURUS APRIL 20–MAY 20

No matter how busy you are, some people will always be top priority. Don't neglect them. If money is not as flush as you would like, avoid impulsive spending.

## GEMINI MAY 21–JUNE 20

Fulfill your responsibilities through the holidays. If a work opportunity comes through, act on it! Be open to a sensitive discussion about your personal life.

## CANCER JUNE 21–JULY 22

Take any opportunities to be creative. Stand by for love. You could meet someone suitable for long-term romance or take your relationship to the next level.

## LEO JULY 23–AUG. 22

The holiday season is here! It's a time for fun and socializing with those you love. However, business does not stop and some tasks will need your attention. Do what you need to and postpone the rest. Indulge in some self-pampering!

## VIRGO AUG. 23–SEPT. 22

Your well-planned routine keeps you on track. Many of you will have a chance to chill and relax now, which will allow you thinking time to focus on a creative project. Love stars also shine brightly. Make sure your first impression is dynamic!

## LIBRA SEPT. 23–OCT. 22

This is a week to connect with family and friends and an opportunity to smooth over any conflicts. At work, don't feel rushed to make a decision. If it concerns money, get the facts. Think through all the options and possibilities.

## SCORPIO OCT. 23–NOV. 21

Holidays are the perfect chance to spend time and connect with family and friends. Romance is also on the agenda. If there's a money discussion you need to have, be diplomatic.

## SAGITTARIUS NOV. 22–DEC. 21

When love and money are top priority, there's no time for trivial pursuits. A family moment may need further clarification; don't be quick to react. Focus your attention on how you want your life. Send your wish to the universe.
