Roof Requirements-

- 1) Transparent roofs only. We will not install a transparent lens onto a solid fiberglass roof assembly.
- 2) GM Frames only
- 3) If roof flew from car or was in accident please inspect frame closely for cracks
- 4) Roof frame must be unbent, un-cracked, un-tampered with, and otherwise unmolested from factory conditions. The lens condition does not matter to us, and can even be completely missing, as it will be removed once it arrives anyways.
- 5) Roofs that have been repaired with silicone sealants will not receive lifetime adhesion warranty
- 6) Roof cores sent to us with incomplete contact information will be treated as abandoned goods after 90 days if we have no way to contact you. We unfortunately do not have the room to store roof cores indefinitely

*To pay for options- Personal check is okay made payable to Melrose T-Top

If payment is not enclosed we will call for CC# when roof is ready to ship

* Should you have questions or concerns regarding this service please call us at 815-758-2783
