# In the Bush

Written by Lee-Ann Lear

Jasmin went on a trip to the bush with Kim and Jem.

Jem spotted a nest with eggs in it. The mom was sitting on its eggs.

4

Kim spotted a path in the bush. Jasmin stopped to check the map. The path led them to a pond.

6

On the path to the pond,  
Kim and Jem stopped to grab  
sticks and rocks to put  
in the nets.

8

As they stopped, Jasmin spotted  
a fox sitting in the ditch next  
to the path! Shhh!

10

At the pond, Jem spotted a frog. The frog was resting on its rock in a patch of sun.

12

Jasmin led them back to the path. Then Kim spotted a rabbit. The rabbit stretched its legs and hopped off.

14

It was fun  
in the bush!
