**HAMPERS & GIFTING**

from 01 February 2024

# Hello and welcome

After 30 years we're still Oliveering – creating and sourcing some of the best food stuff around and, despite our age, we don't look too shabby with our fresh new look ... it's amazing what Olives and Oil can do. Better still, we're still doing things the proper authentic way and delivering some of the best gear around – fit for all manner of Hampers and Gifts.

This Range List contains all you need for Hampers and Gifting. Of course we still have a whole heap of other products available, but we've pulled this list together to showcase the most popular and suitable lines that work best in Hampers and Gift ranges.

If you fancy a natter about anything, or if you have any questions, please do give us a call on **01258 474 300** or, if you're feeling shy, our inbox is always open on [team@olivesetal.co.uk](mailto:team@olivesetal.co.uk).
