

DISH SOAP (900)

Exceptionally clean sparkling dishes. Highly concentrated. Rich suds means a small amounts goes a long way. No thickeners added.

DIRECTIONS FOR USE

Add a small amount of soap to the sink as it fills with water. A small amount goes a long way to effectively clean a sink full of dishes. Also works fabulously to make fixtures and other surfaces sparkling clean.

Rich biodegradable suds from our sustainable ingredients make dish washing much more enjoyable and the dishes, pots, and pans will shine brighter than ever before. While many so-called "green" suppliers still use SLS (and SLES), we NEVER use these ingredients which many believe may contain 1, 4, Dioxane, a carcinogen. Instead, we use a carefully balanced mixture of premium plant-based surfactants to recreate the comfortable "feel" of SLS, without the potential health hazards. All ingredients are transparently listed on the label. Septic safe. Enjoy remarkably sparkling, clean dishes and surfaces with this luxurious soap made from pure water and over 99% plant-based ingredients, without the health concerns of standard ingredients. Thirteen carefully selected, premium ingredients are carefully blended to create this highly concentrated soap. Ingredients are derived from chicory root, coconuts, plant sugars, and vegetable oils. Wonderfully smooth and readily biodegradable, this soap is available fragrance-free or with our Ultra-Premium ISO 9235 certified natural fragrances. Available fragrance free and with certified natural fragrances that bring the spectacular aromas of the plant-world to your home. Our fragrances make washing dishes a pleasure.

INGREDIENTS:

Purified Water, Lauramine Oxide (plant), Lauryl Decyl Glucoside (plant), Sodium Coco-Sulfate (plant), Isopropylidene Glycerol (plant), Carboxymethyl Inulin (plant), Sodium Citrate (plant), Glycerin (plant), Sodium Polyitaconate (plant), Citric Acid (plant), Benzisothiazolinone, Methylisothiazolinone, and Phenoxyethanol (synthetic, EPA Safer Chemical listed), and Natural Fragrances (plant).
