

GLASS CLEANER (345)

Sparkling clean windows without poisonous methanol.
Clean windows with a clean conscience and healthy home.

DIRECTIONS FOR USE

Shake briefly before use. Spray glass from 8 to 12 inches. Wipe using clean, dry cloth or surfactant-free paper towel. Most paper towels have chemical ingredients that may cause streaking. Also effective for cleaning counters, appliances, granite, stovetops, sinks, and stainless steel.

Smudges and grime are wiped away by this blend made from over 99% plant-based sustainable ingredients. Readily biodegradable. An advanced formulation artfully made. Not tested on animals.

INGREDIENTS: Purified Water, Ethanol (plant), Lauryl Decyl Glucoside (plant), Isopropylidene Glycerol (plant), and Methylglycinediacetic Acid Sodium Salt (synthetic: EPA Safer Chemical listed).

**FRAGRANCE-FREE PRODUCTS
CONTAIN ABSOLUTELY
NO FRAGRANCES**

KEEP OUT OF REACH OF CHILDREN. Avoid contact with eyes. If swallowed drink plenty of water/milk and consult a doctor.

Readily biodegradable. Free of methanol, SLS, SLES, ammonia, chlorine, and dye. Not tested on animals. Ultra-green. Ultra-effective.
