

# LAUNDRY LIQUID (222)

Concentrated, plant-based, enzyme-enhanced, ultra-effective ultra-green. Protects clothes and brightens colors. Effective in cold & hot, soft & hard water.

## DIRECTIONS FOR USE

Sort and wash garments by color. For a medium-sized, moderately soiled load, use approximately 39 ml (less than 2 1/2 tablespoons), which is one (1) 39 ml scoop if available. Use more liquid for larger or more heavily soiled loads. For difficult stains, pretreat soiled area for 30 minutes with a small amount of the liquid applied directly to the stain; then run pre-treated item in regular wash cycle.

Great for persons sensitive to chemicals. This highly concentrated premium blend of seventeen, plant-based, ingredients cleans well in warm or cold water. Clothes are exceptionally clean, and our ultra-premium ISO 9235 certified natural fragrances bring floral freshness to your home.

High Efficiency HE-Washer Compatible
