

# OXYGEN BLEACH POWDER (585)

Boosts cleaning, brightens, and whitens without chlorine.  
Brightening. Helps remove stain and odors.

## DIRECTIONS FOR USE

Before putting clothes in washer, add 2 heaping tablespoons (40 cc scoop) of the Oxygen Bleach to the washer along with the laundry detergent. Start water and then add clothes. Always wash whites and color separately. Be sure to follow the washer manufacturer's instructions.

This mineral-based, super-effective, color-safe, oxygen cleaner brightens and whitens without chlorine. Effective in cold and hot water. Free of dye, EDTA, DDBSA, and optical brighteners. High Efficiency washer compatible. Brightens whites, protects colors, without harming the environment. Effective cleaning in hard & soft, cold & warm water. Septic safe. An advanced formulation artfully made. Not tested on animals.
