OTTAIPNU

OTTAIPNU is a textile brand developed by Masaru Suzuki since 2004. It was started with the theme of "Beautiful colors and patterns, which are not always necessary, are like vitamins penetrating people's hearts."

Focused on brightly colored print textiles, the collection is developed with the overflowing charm of the materials themselves, and includes items such as umbrellas,

bags, towels, and handkerchiefs. In recent years, the brand provides not only textile designs, but also designs centered on colored patterns for various settings, such as furniture and architectural spaces.

The colors are viscerally beautiful, the patterns are charming, so the instant they catch your eye you can experience things that captivate you. The brand strives for designs that evoke these kinds of feelings.
