General informations

- Eyes contact: Not dangerous.** Rinse thoroughly with clear running water for 5 minutes while keeping the eye lids open.
- Skin contact:** Not dangerous.
- Inhalation:** Not dangerous.
- Ingestion:** Not harmful at normal physiological doses.
- Storage:** Store in a cool, dry, well ventilated place protected from light. Do not heat over 150° Celcius and do not expose closed containers to the sun. Keep hydrosols in filled and closed containers, protected from air and light and at moderate and constant temperature to allow a maximum storage period. Once containers are opened or damaged, no conservation or quality guarantee can be applied.
- Free of sale in Canada**
