## Professional Colour Restorer

### RESTORE

#### REMOVE MINOR DEFECTS AND RESTORE COLOUR AND GLOSS TO FADED PAINTWORK

#### PRODUCT DESCRIPTION

**G3 Pro Colour Restorer** uses a high grade of light polishing abrasives to permanently remove minor defects such as micro-scratches, light oxidation, holograms and tree sap that cause dulling and fading. This will bring paint back to its original showroom condition. For best results, prepare by washing the surface with **G3 Pro High Shine Shampoo**, and finish with **G3 Pro Spray Wax**, **G3 Pro Resin Superwax** or **G3 Pro SuperGloss Paste Wax** for the ultimate protection and shine.
