PREPARING FOR USE

Due to the size and weight of this item, we recommend that you check the product dimensions and our self-measuring guide to ensure it will fit your space before purchasing.

Measure the area where you plan to put your item, considering any fixed widths that might cause obstructions. We suggest doing a walk-through prior to delivery, from the delivery truck, to the chosen area in your home. Compare the detailed measurements you've taken throughout your home to

the dimensions of the furniture item (you can find these on our product pages). Check the depth of your chosen piece, and ensure that the width and height is less than that of the stairways, hallways and doorways in your home.

TRANSPORTATION AND STORAGE

The product should be transported and stored in the package in compliance with safety precautions to avoid mechanical damage and exposure to atmospheric precipitation.

PRODUCT RECEIVING RULES

Carefully inspect the product at the courier who delivered it. Pay attention to the configuration, the quality of the appearance of the product, the effect of transformation mechanisms (if any). Remember that accepting a product without specifying any flaws that may be detected when purchasing the product (visible flaws) will deprive you of the right to refer to them in the future. Only after inspection sign the act of acceptance of goods.

ALLOWED AND ARE NOT THE DISADVANTAGES

- given the natural characteristics of the stone, each piece can present veins, tonality differences, crucks mineral intrusion or stuccowork;
- a slight (within 10%) difference between the form and the photo of products. All of the llab.design items are created by craftsmen manually;
- slight (within 10%) color difference from photos of natural stone;
