### 2. Select which **WHEEL KNOB INSERT** you want

- Choose from 23 different offshore or inshore fish art cap inserts for the wheel knob. [Click here](#) to see images of fish art inserts. Or you can just respond, "No insert."

I've selected fish art: \_\_\_\_\_

### 3. Select which **WHEEL NUT SIZE IS REQUIRED for your HELM (provided at no cost)**

#### 3-Spoke Wheels Only

- 1501 – 5/8" - 18 shaft (Fits Sea Star, Teleflex, Baystar, and other Hydraulic systems.)
- 1502 – 1/2" - 20 (Fits Teleflex and other mechanical steering systems.)
- 1503 – 12MM (Fits Uflex and other Manual Steering systems.)

### 4. Select which **STYLE** Paracord Wrap you want. All wrap styles are the same price.

Comes in Standard, Classic, and Bold Paracord Wrap.

- Standard** Wrap—one solid color: base wrap and end knot are the same color.
- Classic** Wrap—two colors: one base color and one accent color.
- Bold** Wrap—two colors: Paracord colors are interwoven into the base and end knot.

### 5. Select which **COLOR(S)** Paracord Wrap you want

Choose from 95 colors to create a custom wheel to match your boat!

- I'm pretty sure I want these colors, but I'll discuss it with Captain Hunter:
  - Color #1 for the base wrap color \_\_\_\_\_
  - Color #2 for the accent wrap color \_\_\_\_\_

### 6. Select a **Captain Hunter's Wheel Cover** for your custom wheel. **Price: \$24.95 Free Shipping!**

- Yes! Made from premium Sunbrella fabric, it's waterproof and fade-proof.  
*\* For 13 in. -13.5 in. wheels only.*
- No, thanks. Maybe later.

### 7. Indicate how you would like to pay.

- I'll pay by credit card. Send me the email with the payment link. Let's do this!
- I'll pay by check to Captain Hunter Bounds. I'll send it in the mail.

### 8. Provide your contact information.
