

KetoCitra® helps your patients with the dietary management of **CKD** and **PKD**

What is KetoCitra®?

- A medical food for the dietary management of CKD and PKD
- Contains beta-hydroxybutyrate (BHB) and citric acid (citrate)
- Formulated to be kidney-safe
- Ready to mix powder, use 2x/day

What makes KetoCitra® Different?

KetoCitra is a non-prescription product designed specifically for the dietary management of Chronic Kidney Disease (CKD), including the genetic form, Polycystic Kidney Disease (PKD).

University of California professor Dr. Thomas Weimbs, a recognized leader in kidney research, and Dr. Jacob Torres, current Head Researcher of Santa Barbara Nutrients (SBN) discovered that a combination of two natural compounds, beta-hydroxybutyrate (BHB) and citric acid (citrate), can aid in the nutritional management of CKD and PKD.

KetoCitra® helps target, and improve, metabolic abnormalities that manifest during the progression of CKD and PKD.

KetoCitra® helps with the dietary management of renal crystal formation by:

- **REDUCING** dietary uptake of oxalate and phosphate by providing calcium and magnesium.
- **NORMALIZING** urine citrate levels by providing citrate.
- **IMPROVING** urinary pH by providing alkalizing agents.

KetoCitra® helps with the dietary management of metabolic abnormalities by...

- **RAISING** blood BHB levels by providing exogenous BHB.

Covered under U.S. Pat. No. 11,013,705, Mexican Pat. No. 395975 & U.S. and foreign patents pending.

What makes KetoCitra[®] safe?

FDA-Registered Facilities

- Uses only FDA-registered manufacturing centers and warehouses to ensure temperature and safety standards
- Extensive safety testing
- Made in the USA of imported and domestic ingredients under strict **cGMP** standards
- Processed and packaged in a **FDA-registered facility**

Clean Ingredients

- **GRAS** (Generally Recognized as Safe) ingredients only
- Balanced minerals
- Natural flavoring
- **Non-GMO**
- Natural sweetener
- No fillers

Nutritional Content

- **Zero** sodium, sugar, phosphate, and oxalates
- Keto & vegan friendly
- Dairy-free
- Soy free
- Gluten free
- Allergen tested

Nutrition Information			
60 Servings per Container	Recommended Serving size: One rounded scoop (6.5g)		
	Per serving size (1 rounded scoop, 6.5g)	Per daily servings (2 rounded scoops, 13g)	Per 100g Powder
Calories (kcal)	15	30	231
