

T4 Door Handles Fitting Instructions

Before You Start Please Ensure You Have Read & Understand These Instructions

We recommend you check out our website for photos and more instructions

<http://www.van-x.co.uk/instructions>

- Before Starting Please Clean The Door Handle and the surrounding area using Thinners or panel wipe
- Please make sure you have the correct door handle kit for your vehicle
- Remove the backing on the adhesive strips on the handle
- Gently warm the covers using a Hairdryer or hot air gun
- Carefully apply the cover to the vehicle (holding in place for at least 2 mins)

PLEASE NOTE THE CENTER HANDLE FITS BETWEEN THE RUBBER AND THE ORIGINAL HANDLE (Driver/Passenger Sides Only)

If You Still Have A Problem/Difficulty Fitting Your Handles

Please Call Us 01782 825240

info@van-x.co.uk www.van-x.co.uk
