

# Warranty

Xtracycle LockPockets are guaranteed to be free from manufacturing defects for one (1) year from the original date of purchase.

Defective products will be repaired or replaced at Xtracycle's discretion. To determine if a warranty claim is valid you may be required to return the product to Xtracycle for inspection. Xtracycle is not responsible for removal, installation or shipping costs. This warranty applies only to the original buyer and is not transferable.

This warranty does not cover damage from use of this product outside of its intended range or that resulting from modification or neglect. It also does not cover wear and tear resulting from the normal use of the product.

Double your warranty to two years!  
Register your Xtracycle LockPocket within 14 days  
of purchase to extend your warranty to two years.

## Easy Install:

### Attach Buckles

Wrap the hook-and-loop straps around racks or tubing and secure. Clip in side-release buckles.

## Note:

### Position Away From Brakes

Avoid positioning the LockPocket over the brakes. Longer locks may cause damage.

## Features:

- Two compartments for storage
- Internal clip for keys
- Slot for hanging lock

## Versatility:

### Some Places to Put the LockPocket

- Can be installed on many styles of handlebars.
- Can also be installed on a Hootie

## DIY MOD Project: Modifying the LockPocket to hook into the inner loops on the CargoBay

### Step 1:

Take off the hook-and-loop strap. Create a c-clip by cutting a 1/8" gap on the back end of the female buckle.

### Step 2:

Feed the newly modified clips around the webbing loops at the top of the CargoBay

### Step 3:

Clip in LockPocket

### Voila!
