

**Keeps you brain and
body limber**

Oscar HB Max

Oscar HB LX

Oscar MB LX

Oscar MB Fly

Oscar Visitor

Oscar is an agile chair that provides multiple adjustments to allow fine tuning for your comfort

Spine Health

The lower portion of the spine, just above the buttocks, naturally curves inward toward the belly (the lordotic curve). A lumbar back support helps promote good posture by simply filling in the gap between the lumbar spine and the seat, supporting the natural inward curve of the lower back.

Good chair

I like this color scheme a lot.

Headrest adjustability and lumbar support is good.

Ergonomic chair. 👍
