Prime Industries, Inc.

Prime Industries, Inc. is a service-oriented company that now ranks as one of the top importers of stainless steel products in the United States. We specialize in wheel accessories, marine hardware, and custom produced special order items.

With engineers on staff and detail monitoring, any request for a custom made item can be handled with speed, efficiency, and accuracy.

Our wheel liners are produced with certified 304-grade stainless steel and go through a 3-stage finishing process, including hand polishing.

We pride ourselves on our quality products and our ability to service our customers in a fast and efficient manner by maintaining a large quantity of inventory in our Virginia Beach warehouse.

Limited Warranty

Prime Industries, Inc. Stainless Steel Hardware

Limited Warranty

Prime Industries, Inc. warrants stainless steel products to be free of defects in material and workmanship. When installed in accordance with standard industry procedures, the accessory parts are warranted against premature failure for any reason, provided there has been no damage due to incidental or consequential acts, such as collision, tire under/over inflation, improper application, incorrect use, lack of maintenance, unauthorized repair or modification, or other causes not due to defects in material or workmanship.

Defective merchandise may be returned for replacement after receiving a Returned Good Authorization number from Prime Industries, Inc. (call 800-446-1144). Any product returned shall be freight prepaid with proof of original purchase and may be replaced at the sole discretion of Prime Industries, Inc. Any other returns may be subject to a 20% restocking fee.

This warranty gives specific legal rights. Other rights may apply which vary from state to state.
