

GERMAN MADE

isodrive®

10YR
MOTOR
WARRANTY

- Schweigen's patented Isodrive© motor solution is to take the fan and motor out of the rangehood and mount them outside the home on the roof or wall
- German made centrifugal motor with patented Australian venting system
- Extracts smoke, steam and airborne grease, fat and oil particles in one complete process
- Unique motor design resulting in minimal external obstruction
- All metal motor housing for the harsh Australian conditions
- BAL40 Certified for bushfire prone areas
- 3 times more efficient when compared to a traditional internally motored rangehood
- Suitable for use with Schweigen **Silent** wallmount, undermount, ceiling cassettes and island rangehoods
