

SILENT WALLMOUNT RANGEHOOD 90cm WM-EX90S

Pictured: Perimeter Aspiration image for illustration purposes only; electronic touch control operation panel.

- **innovative design** - a square edged European style stainless steel canopy with drop-down glass panels to reduce cross-draft and aid in efficiency.
- **powerful silent extraction** - the German engineered Isodrive® motor delivers effective, efficient extraction of steam, smoke, and odour removal - leaving your kitchen air fresher.
- **Perimeter Aspiration** - as smoke and steam rises, it is directed to the outer edges of each individual plate, before being extracted through the filters.
- **convenient features** - soft touch control with 4 speed levels and a 15 minute auto shut-off timer, so you can leave the kitchen and the rangehood will switch off after clearing the air.

SILENT WALLMOUNT RANGEHOOD 90cm WM-EX90S

DESCRIPTION
