

341L top freezer refrigerator, arctic steel with Twist & Serve icemaker, easy to clean glass shelves & 3-star energy rating

Product Details

FEATURES

Full width sealed crisper

Twist Ice & Serve Dispenser

Multi-flow air delivery system

Adjustable easy clean glass shelves

Flat Door Design

LED lighting

Door alarm

BENEFITS

FreshSeal Crispers

Our FreshSeal Crispers have seals that assist in preventing moisture loss to retain fruit and vegetable freshness and look after your food the right way.

Twist Ice & Serve Dispenser

Whether its for an afternoon juice or a whisky on the rocks, our easy access twist ice dispenser and tray allows you to just twist and serve ice simply.

Glass Shelves

Cleaning your fridge shelves has never been easier. The Westinghouse adjustable glass shelving can be easily manoeuvred allowing you to effortlessly get into every nook and cranny, no matter the mess.

Multi-Flow Air Delivery System

Fresher food means tastier food. The Westinghouse Multi-Flow Air Delivery System keeps the temperature stable so every ingredient in the fridge stays fresher for longer.

Electronic Controls

With the Westinghouse Electronic control system, you can easily change the temperature of your fridge with the touch of a button.

LED Lighting

Spend less time with your head in the fridge and more time enjoying your fresh food with Westinghouse LED lighting. More light means you find what you are looking for faster.

Minimum Recommended Airspaces

If you have a cupboard above the refrigerator with a rear gap of less than 100mm (Y), recommended minimum clearance at the top of the refrigerator increases from 50mm to 100mm (X).

Please note: Doors are designed to sit proud of cabinetry (not flush).

When positioned in a corner area, spacing of at least 400mm on the hinge side will allow the doors to open enough to enable the removal of bins and shelves.

Front face of bench aligned to front corner edge of cabinet.

Dimensions	Product Height (H)	Product Width (W)	Product Depth (D)	Product Depth (D2) (Door Open)	Airspace	Side - both	Top	Behind

IMPORTANT

This is a guide of product dimensions only. For complete installation instructions, refer to the manual provided with product.

PRODUCT INFORMATION

The descriptors and illustrations in this publication apply to the specific products and models described as at the date of issue. Under our policy of continuous product development, product specifications may change without notice. Prospective purchasers should therefore check with their retailer to ensure this publication correctly describes the products that are being offered for sale. All information supplied is to be used for general reference purposes only and is on the understanding that Electrolux Home Products Pty Ltd (Australia) and Electrolux (NZ) Ltd (New Zealand) will not be liable for any loss, liability or damage of whatever kind arising as a result of reliance on such information. Colours of products illustrated are as close as printing limitations allow. Electrolux will at all times comply with its obligations pursuant to law including Trade Practices (Australian Consumer Law) Act and Regulations.

WARRANTY

This warranty only applies to Appliances purchased and used in Australia or New Zealand and used in normal domestic applications and is in addition to (and does not exclude, restrict, or modify in any way) any non-excludable statutory warranties in Australia or New Zealand. All warranties are subject to the conditions set out in the warranty card accompanying the product when purchased.
