

## Tensor Tire Limited Warranty

**Tensor Tire warrants to the original retail purchaser that its “Regulator Series” Tires will be free from defects in materials and workmanship. Tensor Tire limited warranty applies only to the original purchaser for a period of two years from the manufacture date.**

Tensor Tire agrees to replace, at Tensor Tire’s sole discretion, without charge, any Tensor Tire which is returned to the dealer from whom the tire was originally purchased or at the original retail purchaser’s expense to Tensor Tire, 19070 S. Reyes Ave., Rancho Dominguez, CA 90221 (freight prepaid) and which, after examination, shows that said product has failed in normal use due to defects in material and/or workmanship. Such replacement shall not include removal or installation expense. This express warranty is not applicable to any tire that has been subject to abuse, neglect, chemicals, and/or adverse weather conditions. The warranty is void if the tire fails due to improper inflation pressures or overloading the tire beyond the maximum load capacity stated on the sidewall.

Transfer of title of Tensor Tire products by the original retail purchaser (consumer) voids the warranty.

**“Regulator Series” Tires used for Racing or other Competitive Events are not subject to any warranty because of the conditions these tires are being used for.**

**Tensor Tire “Desert Series” (DS) Race Tires are not tested to meet Federal Motor Vehicle Safety Standards and are designed and manufactured specifically for racing. Therefore, they are illegal to use on public highways and are sold “as is” without warranties of any kind.**

**Tensor Tire hereby disclaims all other express warranties. Tensor Tire hereby disclaims all implied warranties, including warranties of merchantability and use for a particular purpose to the extent the law of the state of sale and federal law allows.**

**WARNING: Tire mounting must be done only by trained personnel using proper tools and procedures.**

**Warranty claims must be processed through the original dealer or distributor that the tires were purchased from.**
