

Call Me NAME TAG/CELL PHONE BAG

Class Description

Keep everything handy in this lightweight 7¼"H x 4¾"W bag. Vinyl and mesh pockets along with a zippered fabric pocket will hold a name tag or ID card, phone, and credit cards or cash.

A fabric strap, can be customized to wear around the neck, over the shoulder, or crossbody.

The Call Me pattern is a perfect way to learn many of the basic techniques used to make ByAnnie patterns.

As you make this useful bag, you will learn how to:

- Quilt fabric with Soft and Stable
- Attach a zipper to quilted fabric
- Work with mesh and fold-over elastic
- Work with vinyl
- Make custom bias binding
- Bind raw edges on a flat project (including tips for going around corners, joining ends, and finishing binding)

These are all skills used in many of our patterns (including our larger travel bags/backpacks), so you'll be well on your way to many other bagmaking adventures once you've mastered these techniques!
