Class Title: Everybody Cut Loose! Do The Shindig or Twirl Quilt Class

Instructor: Pam Nagle

Supply List:

- Sewing machine, foot pedal and power cord. Plus your quarter inch foot and a new needle.
- Thread to match your fabric. I like 60 wt cotton. Be sure to wind at least one full bobbin.
- Rotary cutter (new blade please-you'll thank me when you speed cut) you may want to bring a 28mm rotary cutter for cutting with the specialty ruler.
- Cutting mat (I like the QS-MAT1218, Dual Side Cutting Mat 12in x 18in to use by your machine); you will need at least this size so you can cut your blocks or a 14-inch rotating mat is perfect.
- Clover glass head pins (I like the fine long ones 2508CV)
- Thread snips (have you tried the Kai scissors?)
- Seam Ripper (I like the Clover White Seam Ripper) 482CV-WHT
- Since we are doing lots of chain piecing, I recommend 45mm Bladesaver Thread Cutter Pink, BSAVERIM-PINK (they come in several colors). So much faster than scissors. Plus it uses a used 45mm rotary blade.
- Quilter's Select Quilting Ruler 10-1/2in x 10-1/2in; for Twirl, 9-1/2in x 9-1/2in
- Quilter's Select Quilting Ruler Non-slip Ruler 6in x 24in
- Post-it notes and a sharpie pen
- Zip top bags for your blocks/project
- Spray starch, I like Best Press (no scent)
