However, you will receive an email from the instructor giving you detailed prep instructions. In addition to the serger, cord and foot control please bring your serger 'sewing' tools. Tweezers, scissors, tool for changing the needles, etc. Clear foot if you have one or you may use the standard metal foot.

BUTTERICK PATTERN B6863 (please do not wait until the last minute to purchase your pattern. The fabric stores may be out and you will need time to order.)

FABRIC requirements are on the outside of the pattern envelope. Please note that you will need a 24" (view B) or a 26" (View A) separating zipper and we DO NOT use metal zippers with the serger.
