1. These general terms and conditions apply to all quotes and all (legal) acts of Leerdam Crisal Glass and to all agreements concluded between Leerdam Crisal Glass and the Other Party.
2. If the agreement is concluded electronically, then, contrary to the previous paragraph, and before the agreement is concluded, the text of these general terms and conditions will be made available to the Other Party electronically in such a way that it can be easily stored by the Other Party on a durable data carrier. If this is not reasonably possible, then before the agreement is concluded, it will be indicated where the general terms and conditions can be consulted electronically and that, at the request of the Other Party, they will be sent electronically or otherwise free of charge.
3. Unless expressly agreed otherwise in Writing, the applicability of other general conditions is excluded.
4. Deviations from or additions to these general terms and conditions shall only be valid if expressly agreed in Writing.
5. WhatsApp can be used as a means of communication but any agreements made via WhatsApp are never binding.
6. If and insofar as no appeal can be made to any provision of these general terms and conditions on the grounds of reasonableness and fairness or its unreasonably onerous nature, the provision in question will in any case be accorded a meaning
corresponding as closely as possible to its content and purport, so that an appeal can be made to it.

7. Leerdam Crisal Glass is entitled to engage Third Parties for the execution of the Agreement.

Article 4 - The quote

1. If an quote has a limited period of validity or is made subject to conditions, this will be explicitly stated in the quote.
2. The quote contains a complete and accurate description of the Products quoted. The description is sufficiently detailed to allow a proper assessment of the quote by the Other Party. If Leerdam Crisal Glass uses images, these are a true reflection of the Products quoted. Obvious errors or mistakes concerning, for example, the amounts displayed are not binding on Leerdam Crisal Glass.

Article 5 - The Agreement

1. The Agreement is concluded at the moment the Other Party accepts the quote and fulfils the conditions laid down.
2. If any provision of these general terms and conditions or an Agreement proves to be invalid or is voided, this shall not affect the validity of the general terms and conditions or the Agreement as a whole. The parties shall consult together in order to agree on a new provision to replace the void or voided provision, taking into account, as far as possible, the objective and purport of the void or voided provision.
3. Leerdam Crisal Glass reserves the right not to execute an Agreement, for example if it has reasonable doubt or information that the Other Party will not (be able to) meet its (financial) obligations, or when Leerdam Crisal Glass may suffer reputational damage due to sanctions imposed on the country to be delivered, for example, or when the Other party unreasonably delays delivery. If Leerdam Crisal Glass refuses to execute, it will inform the Other Party in Writing of this refusal within a reasonable time after entering into the agreement.
4. These general conditions also apply to future, additional and/or follow-up assignments.
5. Agreed delivery dates are always indicative. The delivery periods are not final deadlines. Exceeding a period therefore does not give the Other Party a right to compensation.

Article 6 - Dissolution

1. If the Other Party does not fulfil one or more of its obligations, or does not fulfil them on time or adequately, is declared bankrupt, applies for (temporary) suspension of payments and/or deferral of payments, proceeds to liquidate its business, or if its assets are seized in whole or in part, Leerdam Crisal Glass has the right to suspend the execution of the agreement or to terminate and/or dissolve the agreement by operation of law and without prior notice of default in whole or in part by means of a Written statement, all this at its discretion and always without prejudice to any of its rights to compensation for costs, damages and interest.
2. If the agreement is terminated by one of the Parties on the grounds of force majeure, Leerdam Crisal Glass is entitled to payment for the hours already worked or the investments already made at the time of the termination of the agreement.

3. If the Agreement is terminated by the Other Party on grounds other than force majeure, Leerdam Crisal Glass will also charge a cancellation fee in addition to the charges mentioned in paragraph 2.

Article 7 - Liability

1. Leerdam Crisal Glass is not liable for indirect and direct damages. Not excluded is the liability of Leerdam Crisal Glass for damages resulting from intent or gross negligence of Leerdam Crisal Glass.

2. If Leerdam Crisal Glass is nevertheless liable for direct damage, Leerdam Crisal Glass’s total liability will be limited to compensation for damage up to the amount of the fee (excluding VAT) stipulated for the agreement.

3. The amount of the compensation shall never exceed the amount paid out by the liability insurance.

4. If the agreement is a continuing performance contract with a term of more than six months, the fee stipulated for that contract will be set at the total of the fees (excluding VAT) for the past six months.

5. Direct damage exclusively is understood to mean:
   a. Reasonable costs that the Other Party would have to make to make the performance of Leerdam Crisal Glass to meet the agreement; however, this replacement damage will not be compensated if the agreement is dissolved by or at the suit of the Other Party;
   b. Reasonable costs incurred in determining the cause and extent of the damage insofar as the determination relates to damage within the meaning of these terms and conditions;
   c. Reasonable costs incurred to prevent or limit damage insofar as the Other Party demonstrates that these costs have led to limitation of damage within the meaning of these terms and conditions.

6. The Other Party indemnifies Leerdam Crisal Glass for any claims by Third Parties, who suffer damage in connection with the execution of the agreement.

General provisions on liability:

7. The existence of any right to compensation is always conditional upon the Other Party reporting the damage in Writing to Leerdam Crisal Glass as soon as possible after the damage arose. Each claim for compensation against Leerdam Crisal Glass expires by the mere lapse of 12 (twelve) months after the claim arose.

8. Leerdam Crisal Glass is not liable for damage caused by auxiliary persons as referred to in Article 6:76 of the Dutch Civil Code.

Article 8 - Force majeure

1. In addition to the provisions of Article 6:75 of the Dutch Civil Code, a failure by Leerdm Crisal Glass to comply with any obligation towards the Other Party cannot be attributed to Leerdm Crisal Glass in the event of a circumstance independent of the will of Leerdm Crisal Glass, as a result of which the compliance with its obligations towards the Other Party is wholly or partially impeded or as a result of which the compliance with its obligations cannot reasonably be required from Leerdm Crisal Glass. These circumstances include non-performance by suppliers or other Third Parties, (power) failures, computer viruses, extreme weather conditions, fire (danger), (imminent) danger of war, pandemics, epidemics, quarantines, absenteeism, disability, strikes, government measures and the failure of (transport) vehicles and equipment with which the products must be transported.

2. If a situation as referred to in paragraph 1 of this article occurs as a result of which Leerdm Crisal Glass cannot fulfil its obligations towards the Other Party, these obligations will be suspended for as long as Leerdm Crisal Glass cannot fulfil its obligations. If the situation referred to in the previous sentence has lasted 30 (thirty) calendar days, both Parties are entitled to dissolve the agreement in whole or in part in Writing. In that case, Leerdm Crisal Glass will not be obliged to pay compensation for any damage, even if Leerdm Crisal Glass gains any advantage as a result of the force majeure situation.

Article 9 - Guarantee

With art. 12 'Delivery' taken into account Leerdm Crisal Glass guarantees that the Products delivered meet the agreement, the specifications listed in the quote, the reasonable requirements of reliability and / or usability and on the date of the conclusion of the agreement existing legal provisions and / or government regulations.
