## GET ME THERE

IN THE modern world we have become reliant on navigation devices instead of the map. And why not, they offer much more than the humble map ever could.

Strike has introduced the new Genius GPS BT which features inbuilt Bluetooth and 3D mapping technology.

It's motorcyclist friendly too, can be used with gloves on and shows things like landmarks and elevated roads.

**PRICE:** \$499

**AVAILABLE FROM:** Call 1300 792 044 for your nearest stockist.
