IMMEDIATE RELEASE

Strike Group releases six industry specific mounts

BRISBANE, June 22, 2015 – Over the years, Brisbane based Strike Group has become a well-known manufacturer of hands-free tech products for in-car usage. Today, Strike Group has started to offer a selection of mounts custom built to suit specific industries.

Major phone and tablet companies have introduced enterprise grade products which are very helpful in boosting the productivity and revenue of different types of businesses. These devices will work perfectly with the latest range of Strike mounts and will help users interact with technology in the most convenient and flexible way possible.

"The future of hands-free technology in the enterprise world has just been unveiled," said Chris Ryan, CEO of Strike Group. The company has just introduced mounts which are specifically designed to fit almost all working environments. The latest range of mounts are versatile, flexible and reliable and can be mounted onto almost any surface with ease.

Strike will now be providing mounting solutions for various industries - from agriculture, aviation, caravanning, construction, defense, education, mining, marine, medical, office, point-of-sale, and warehousing.

Newly innovated mounts are durable reputable and can withstand tough workspaces, enabling employees to become more productive at work. All mounts have adjustable components for superior viewing to help users angle their device perfectly depending on their preference.

Six Industry Specific Mounts

1. **Strike HD Pedestal Mount** – features a 6.5" arm which allows user to access their tablets or devices with ease.
2. **Strike HD Adjustable Arm Mount** – specifically designed to be mounted on various surfaces such as seat rails, walls, tables, poles and chairs to make mounting phones, tablet and devices a breeze.
3. **Strike HD Pedestal Mount with 10" Adjustable Arm and Drill Base** – features a 10" adjustable arm so user can angle their device depending on their preferred viewing position.
4. **Strike HD Gooseneck Mount** – features a 22" flexible gooseneck for maximum coverage which allows user to navigate their tablet or phone conveniently.
5. **Strike HD Handlebar Mount** - designed for bicycle and motorcycle owners which allows them to utilize music or GPS applications of their devices to track their route, travel distance and help them with navigation.
6. **Strike HD Pedestal Mount with 10" Adjustable Arm and C-Clamp Base** – helps de-clutter user's workstation, allowing for a more efficient and productive work environment; and is ideal for use in customer-facing workforce.
