## **FOR IMMEDIATE RELEASE**

### **August 2019 – Strike Releases New Samsung Galaxy Note 10 and Note 10+ Phone Holders**

Brisbane, August 08, 2019 – As the leading automotive technology developer, Strike Group is proud to announce the release of innovative phone cradles for Samsung's flagship: the Samsung Galaxy Note 10 and Note 10+ handheld devices.

The Samsung Galaxy Note 10 and Galaxy Note 10 Plus are powerful devices running on the latest Exynos 9825 chipset. Their high performing processors deliver reliable performance for both work and play. With this technology, users can maximize the use of their Note 10 and Note 10+ to keep up with their lifestyle.

Samsung Galaxy Note 10 boasts 8GB of RAM and 256GB of internal storage to deliver fast performance. Meanwhile, the Galaxy Note 10+ is packed with 12GB of RAM and 256GB or 512GB of internal storage, expandable by up to 1TB.

The new Galaxy Note 10 and Note 10 Plus sport an industry-leading triple rear camera setup with 12MP, 12MP and 16MP lenses for the perfect photo at any moment. The Samsung Note 10 and Note 10 Plus also include an S Pen that can be utilized for productivity by turning handwriting to digital text in minutes.

"Smartphones continue to evolve and develop to meet the demands of the consumers' lifestyles. At Strike, we aim to provide effective hands-free technology to give the best driving experience for all smartphone users," says Chris Ryan, CEO of Strike Group.

Strike Alpha Samsung Galaxy Note 10 and Note 10 Plus car phone holders deliver an enhanced user experience while minimizing road distractions. These Samsung Note 10 and Note 10+ cradles include built-in fast chargers, and their internal passive antennas are tuned specifically to networks. Data pass-through is also available via an inbuilt charging cable.

Strike Alpha Samsung Galaxy Note 10 and Note 10 Plus car cradles are engineered to crash standards and can withstand up to 25g in the event of an accident.

The Strike Alpha Samsung Note 10 and Note 10 Plus vehicle mounts come in several options. Choose from the pro-installed version, DIY version, and wireless charging version.
