

Strike Steel Tablet Mounting Bracket

The ideal mounting bracket for the toughest environments.

Compatible with any of the Strike Alpha Tablet Holders.

Highly recommended for use with industrial vehicles.

Made with high quality, tough, and sturdy steel that is unique in the market.

The Strike Steel Tablet Mounting Bracket is made from 3mm thick steel, making it one of the most heavy-duty brackets available in the market today.

It can be mounted at the back of tablet cradles and is tested to hold tablets securely and withstand rough conditions.

Dimensions: 196.15mm width x 66.00mm Height

Thickness: 3.00mm

Material: Class 4.8 steel

Finish: Black Oxidated

Complete your Strike Steel Tablet Mounting Bracket with AMPS mount and a Strike Alpha Tablet cradle! Watch video to learn more about this new innovation from Strike.
