

COURTYARD

36" & 42" OUTDOOR GAS FIREPLACE

NEW PRODUCT INTRODUCTION

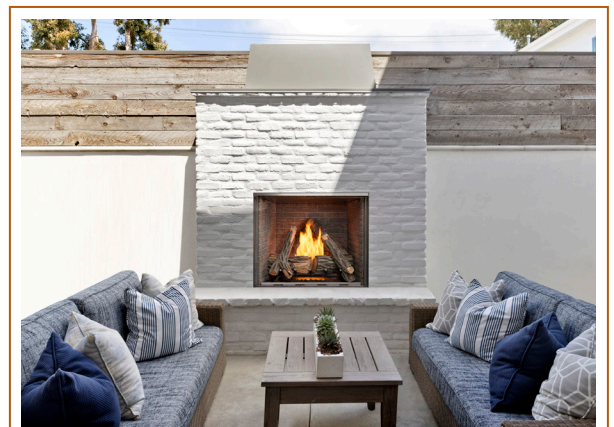

Courtyard 42" shown with premium gray herringbone brick interior and high definition logs

PRODUCT OVERVIEW

Customers can expand their livable area and extend the outdoor season with the Outdoor Lifestyles® Courtyard. The best-selling outdoor gas fireplace features big flames, realistic logs, and a wide range of interior panels to fit their style.

PRODUCT FEATURES

- Big presence in 36" and 42" widths
- Enjoy ambiance and supplemental heat (55,000 BTUs) for outdoor time
- Flush hearth design and traditional aesthetic for realistic appearance
- Brick interior options or stainless steel to fit your look
- Wall switch for ON/OFF control and optional timer

Courtyard 36" shown with premium brown traditional brick interior and high definition logs

POSITIONING

The Courtyard outdoor gas fireplace is positioned as a mid-range and a premium offering.

COURTYARD

36" & 42" OUTDOOR GAS FIREPLACE

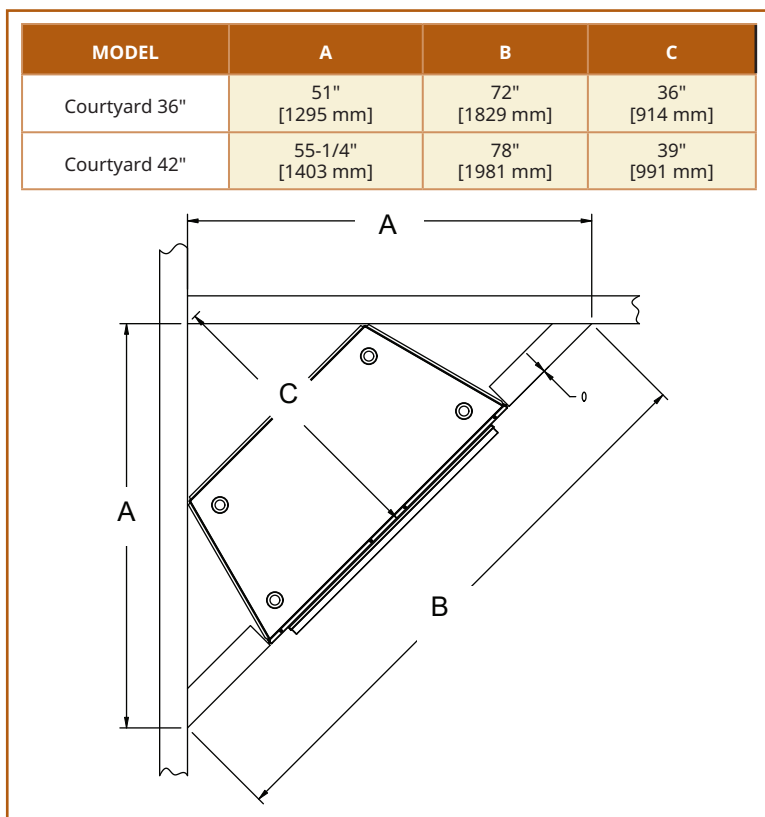

NEW PRODUCT INTRODUCTION

WHAT'S STAYED THE SAME?

- Heat output (up to 55,000 BTUs)
- Interior panel options of traditional brick, herringbone or stainless steel
- Orderable SKU with traditional concrete interior

WHAT'S CHANGED?

- Viewing area and framing dimensions
- Built-to-order units require an interior panel (ordered separately)
- Stainless steel interior panel now available as a choice versus standard
- Traditional burner only, no modern option available
- Indoor-rated vent-free conversion kit available
- Optional drain pan

Model	Front Width A		Back Width B		Height C		Depth D		Viewing Area E x F
	Unit	Framing	Unit	Framing	Unit	Framing	Unit	Framing	
Courtyard 36"	36" [914]	42-1/2" [1080]	31-1/4" [794]	42-1/2" [1080]	34" [864]	34-1/4" [870]	20" [508]	20-1/4" [514]	36" x 30" [914 x 762]
Courtyard 42"	42" [1067]	48-1/2" [1232]	37-1/4" [946]	48-1/2" [1232]	34" [864]	34-1/4" [870]	20" [508]	20-1/4" [514]	42" x 30" [1067 x 762]

Dimensions are in inches and millimeters. Product information is not complete and is subject to change without notice. Product installation must adhere strictly to instructions shipped with product. We recommend measuring individual units at installation. NOTE: Combustible material should not cover the face. Refer to installation manual for detailed specifications on installing this product. Hearth & Home Technologies® reserves the right to update units periodically. The flame and glass media appearance may vary based on the type of fuel burned. Actual product appearance, including flame, may differ from product images.

QUOTE AND INSTALLATION CONSIDERATIONS

- Designed to run on natural gas (conversion kit required for propane)
- Grate and choice of log set are required to complete
- Non-combustible board not required
- The design of the new fiber refractory requires no drilling or tapping to run gas on either side of the unit, making installation easier
- Refractory is required to complete for ODCOUG-36/42NR (purchased separately)
- Framing dimensions are changing
- Removal of wire harness (wired directly to the junction box)
- Unit has no venting requirements

COMPETITIVE SUMMARY

<p>Courtyard vs. Empire WMH Carol Rose Premium</p>	<ul style="list-style-type: none"> • More heat with 55,000 BTUs vs Premium's 50,000 BTUs • Standard On/Off wall switch vs optional for the Premium • More refractory and log choices • Added versatility with an easy conversion to a certified indoor unit with use of any of HHT's vent-free burner & logs • Superior viewing height of 30" compared to 24-1/2" offered by the Premium • The hang-on screen accessory
<p>Courtyard vs. Superior VRE4300</p>	<ul style="list-style-type: none"> • More heat with 55,000 BTUs vs VRE4300's 50,000 BTUs • The hang-on screen accessory • Offered at a lower price with a better feature content • More refractory options • Taller viewing area (30" vs 28-1/2") • Added versatility with an easy conversion to a certified indoor unit with use of any of HHT's vent-free burner & logs
<p>Courtyard vs. Napoleon Riverside</p>	<ul style="list-style-type: none"> • Offered at a lower price than the Riverside while offering a better combination of features • Multiple refractory options versus one • Comes with an optional drain pan to prolong the health of the unit • Added versatility with an easy conversion to a certified indoor unit with use of any of HHT's vent-free burner & logs • The hang-on screen accessory
