

COURTYARD

36" & 42" OUTDOOR GAS FIREPLACE

NEW PRODUCT INTRODUCTION

WHAT'S STAYED THE SAME?

- Heat output (up to 55,000 BTUs)
- Interior panel options of traditional brick, herringbone or stainless steel
- Orderable SKU with traditional concrete interior

WHAT'S CHANGED?

- Viewing area and framing dimensions
- Built-to-order units require an interior panel (ordered separately)
- Stainless steel interior panel now available as a choice versus standard
- Traditional burner only, no modern option available
- Indoor-rated vent-free conversion kit available
- Optional drain pan

Dimensions are in inches and millimeters. Product information is not complete and is subject to change without notice. Product installation must adhere strictly to instructions shipped with product. We recommend measuring individual units at installation. NOTE: Combustible material should not cover the face. Refer to installation manual for detailed specifications on installing this product. Hearth & Home Technologies® reserves the right to update units periodically. The flame and glass media appearance may vary based on the type of fuel burned. Actual product appearance, including flame, may differ from product images.
