Optimyst® Pro Box

Water Vapor Built-in Firebox

Experience Better Living.

Available
in 40 &
60 inch
widths

Key Benefits

Captivating Ambiance

Optimyst® delivers a world class electric fireplace experience that flawlessly imitates true flames and smoke.

Clean & Sustainable

Optimyst Pro Box requires no fuel or venting as it runs on water and electricity and uses reduced energy for heating.

Seamless Design

The pre-built box simplifies the installation without compromising on design.

Supplemental Heat

Discrete heater includes an effective fan-forced heater to warm up to 400 sq. ft.

Adaptable Flame Shape

Includes spacers and slots for customizable flame width and pattern.

Single or Double-sided

Add a glass panel for easy conversion to a see-through unit (glass sold separately).

Continuous Water Supply

Designed to connect to main water line providing continuous operation. Accessory plumbing kit is available.

Customizable Ember Bed

Create any look you desire by adding your favorite ember bed to the included tray (ember bed not included). Optional inner glow log set also available.

Sight and Sound Remote

Control the flames, heater and sound at the touch of a button.

Featuring **Optimyst** technology.

The world's most realistic 3D electric flame effect, patented by Dimplex. This unique flame effect is generated by an innovative combination of water vapor and light.
