## FIVE YEAR LIMITED WARRANTY

Modern Blaze warrants this product to the original retail purchaser against defects in materials and workmanship for a period of five years (glass for a period of one year) from date of the original retail purchase. Modern Blaze will replace, at no charge to the original retail purchaser, any part that fails due to a defect in materials or workmanship. This warranty covers only parts and applies only to products purchased for consumer use.

This warranty does not cover damage which occurs in transit or results from alteration, accident, misuse, abuse, or improper installation. It also makes no warranty as to maximum temperature and stresses which may cause discoloration of the brass. Modern Blaze shall not be liable for consequential or indirect damages which are caused by defects in its product, by its repair or replacement. Some states do not allow the exclusion, limitation, incidental or consequential damages, so the exclusion or limitation in the preceding sentence may not apply to you.

If you need to take advantage of this limited warranty during the five-year period, simply bring the part to your Modern Blaze dealer for adjustment. Proof of the original purchase date will be required in order for you to take advantage of the limited warranty.

The implied warranties of merchantability and fitness for a particular purpose which may arise under state law are also limited in duration to five years from the original purchase of this product. Some states do not allow limitations on how long an implied warranty lasts, so this limitation may not apply to you.
