

GAS FIREPLACES

Courtyard 36 shown with standard brick interior and standard logs

COURTYARD OUTDOOR GAS FIREPLACE

The Courtyard outdoor gas fireplace is the perfect blend of artistry and function: traditional styling with ultra-realistic logs or contemporary glass, that ignite at the flip of a switch. Mesmerizing flames provide instant ambiance and relaxation. Cozy up with the Courtyard.

- Choose from multiple interior options including stainless steel to magnify the flames, traditional brick for a traditional look or premium stacked or herringbone brick for a unique look in neutral tones for your space
- Rust-resistant stainless steel construction
- IntelliFire ignition system with wall switch constantly monitors ignition and ensures safe functioning
- Available in 36" or 42" widths

Optional feature

- Framed Mesh Barrier

OUTDOOR FIREPLACES

Living rooms aren't what they used to be. It's time to discard the stale notion that a "living space" is only contained within the walls of your home. Our innovative products make it easy to extend your living into the outdoors. Think of it as adding a new room to your home—an outdoor living room. See how Outdoor Lifestyles by Hearth & Home Technologies can transform your outdoor space.
