

Square 22

Square 22 Design features

1. Decorative Media

Fire Pit Kits come with black glass charcoal.

*Decorative media is not to be placed directly on top of the burner or anywhere they can interfere with the operation of the burner or the stability of flame.

2. Black Hi-Temp Coated Stainless Steel Tray

All Fire Pit Kits feature an Inlay Black Tray to house the compatible burner, included decorative media and glass fire screen.

Clean Burning Flame

Unlike traditional wood fire pits, our fire pit kits produce no smoke, no soot, and no ash for an enjoyable experience without the mess.

3. Triple Fuel Advantage

Choose between plumbed natural gas, readily available propane, or our eco-friendly bioethanol fuel system.
We make it easy for you to achieve exactly what you want, for exactly where you want it.

Burner Colors

Bioethanol models are available with a Stainless Steel or Black Burner.

Versatile and Incredibly Durable

EcoSmart Fire Pits are versatile, incredibly durable, and are constructed of weather resistant materials. These appliances are designed to look great for years, and will perform admirably through all four seasons.

4. Glass Fire Screen

Crafted from toughened, tempered glass for higher strength and shatter resistance, the windscreen is equipped for outdoor performance.

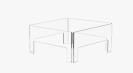

Global Compliance

This model complies with existing standards in the USA, Europe, UK and Australia. O-TL listed to UL1370, EN 16647 BSI Certified and ACCC Safety Mandate compliant.

Included Accessories

Black Glass Charcoal

Glass Fire Screen

Jerry Can with Safety Spout & e-NRG bottle adaptor*

Lighting Rod & Lighter*

*Ethanol models only.
