DisplayTux-NEW

Give your buffet line an upgrade with Tuxton's new DisplayTux casserole dishes. The beautiful diamond embossing on the rim adds a touch of style to each item, and with five different colors, you can design the table to match your décor. Have a specific color in mind? For a 12-dozen minimum through our StudioTux program, we can apply any color you choose. Our new casserole dishes come in five different sizes and five different colors to give you the versatility you need in your foodservice operation.
