

# High-Quality Products. Exceptional Customer Service. On-Time Delivery.

Tuxton is anchored by its core values of passionate dedication to customer service.

## About Us

Family owned and operated since 1999, Tuxton has become a leading wholesaler for high-quality dinnerware, ovenware, and cookware products for the foodservice industry.

We pride ourselves on fostering long-term relationships with our clients, providing exceptional customer service, and producing superior quality products. We are committed to on-time delivery of our products and to ensure the best value ratio in the industry.

## Our Core Values

- Passionate Dedication to Customer Service
- Excellence in Product Quality
- High Integrity
- Embrace Innovation
- Positive and Humble Attitude
