

An aerial photograph of a crowded beach. The water is a vibrant turquoise color, transitioning to a lighter shade near the shore. The sand is a light, pale color. Numerous people are scattered across the beach, some sitting on towels or blankets, others standing. Several colorful beach umbrellas are open. The overall scene is bright and sunny, typical of a busy summer day.

HIGH SUMMER 2023

CHARTER – HIGH SUMMER 2023

Charter is all about getting into vacation mode. We love sun and a dip in the blue ocean. And the very best thing is the small local shops that gives you the authentic experiences with explosions on colors.

Colours that makes you feel alive and beautiful. It is an encouragement to embrace the vacation mode, time for relaxation and to do things that you are care about. Best of all to surround yourself with things that make you happy.

So get your vaca mode on and drink a little pina colada in the sun. Buy some SUI AVA souvenirs and enjoy your charter!

All the best,
Sisse
