Student's Current Grade:

College Prep Planning:

What are your expectations and goals for your child's college education?

Has your child already taken any standardized tests (e.g., SAT, ACT)? If yes, please provide scores if available.

Is your child interested in any specific majors or fields of study?

Do you have any specific colleges or universities in mind for your child?

Career Planning:

What are your child's career aspirations or interests?

Are there any specific industries or professions that your child is interested in?

College Acceptance Decisions:

Are there any financial considerations or preferences regarding college tuition and expenses?

Is your child eligible for any scholarships or financial aid?

Has your child filled out any applications for college yet?

Has your child written any essays for colleges yet?

Has your child been accepted to any colleges yet?

Do you have any specific questions or concerns regarding the college application and acceptance process?

Is there any additional information you would like to share about your child's academic or extracurricular achievements or challenges?

How did you hear about our college prep and career planning services?

Is there anything else you would like to discuss or ask regarding your child's college journey?

Any further concerns or challenges you would like to share regarding your child's college prep or career choices?
