Note: It is important that you note that the colour and grain of natural stone can vary from block to block. Due to the printing process colours may vary from those in this brochure and should be used as a guide only. We always recommend making final colour selection after viewing the product at one of our showrooms.

*Your home deserves the best*

WK is Australia's leading supplier of high quality natural stone.

Renowned for our wide range of unique and exotic stone products, WK specialises in the supply of Granite, Marble, Limestone, Travertine and Onyx which are available in tile or slab form. We also stock Quantum Quartz engineered stone, Retroglass and Terastone.

Only the very best quarries from around the world are used, enabling WK to offer you a superior quality product. Our strong, long term overseas relationships allow us to offer premium stone at competitive prices.

Examples of our stone used in some of the most prestigious homes throughout Australia are pictured in this catalogue. We always strive to offer exceptional service and the highest quality slabs of stone available.

Our warehouses not only contain the largest selection of stone, but also the largest range of readily available stock in Australia.

You are welcome into our showrooms to browse this magnificent range of high quality stone to find the perfect material for your next indoor or outdoor project.
