BODY

TANNIN

ACIDITY

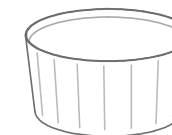

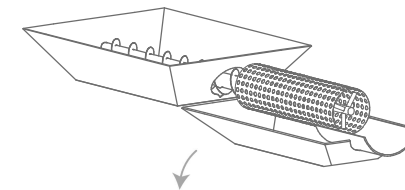

OAK

COLOUR

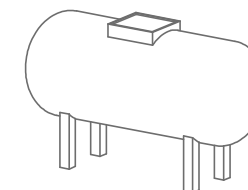

Red with medium depth and a bright crimson hue

VINIFICATION

Open ferment for 10 days

Plunged once per day

3 year or older French oak barrels

7 months maturation

WINEMAKERS COMMENTS

The DD Grenache is a true reflection of the two terroirs of DOWIE DOOLE. The cool slopes of Blewitt Springs gift the wine with the elegant spectrum of Grenache fruit and fine lingering tannin line, combined with the ancient rock of Tatachilla vineyard, offering richer, fruit-driven notes to the wine.

The wine is crafted using the gentlest handling possible, destemmed not crushed, open fermented using only hand plunging. The maturation in oak is kept short, and only old oak is used to preserve grenache's natural perfume of delicate fruits and delicate palate.

A lifted bouquet expressing hallmark Grenache characters; strawberry, raspberry, and boiled lollies. The palate shows the crunchy red fruit with a gentle tannin line adding length.
