2020 McLAREN VALE 'SASHIKO' GSM

Our 2020 GSM is made up of roughly 60% Grenache 25% Shiraz and 15% Mourvèdre. The components for our GSM originate from three separate vineyards located between the Willunga foothills and the township of McLaren Vale. From each vineyard it is possible to see the other and they have similar soil types. The three parcels of fruit combine beautifully to give a wine that is truly more than simply the sum of its parts.
